

VICTOR OMEH

Architectural Designer | Drafting & BIM Documentation

omehvictor@gmail.com | victoromeh.github.io | linkedin.com/in/victor-omeh | Remote / Open to US-Based Roles

PROFESSIONAL SUMMARY

Architectural Designer with over a decade of experience producing construction documentation and design drawings across residential and institutional projects, including government housing development and contractor coordination in Nigeria. Currently working with local and international clients on permit-ready drawing sets, BIM modeling, and presentation drawings using Revit, AutoCAD, SketchUp, and Enscape. Comfortable working across imperial and metric units, with working knowledge of US building code requirements (IRC/IBC).

SKILLS

- Software: Revit, AutoCAD, SketchUp, Enscape, Photoshop
- Documentation: Construction Documents, Permit-Ready Drawing Sets, BIM Modeling, Architectural Drafting, Rendering
- Code Knowledge: IRC, IBC
- Units: Imperial & Metric
